DETAILED ACTION

Election/Restrictions

Applicant's election of Group II, claims 9-18, in the reply filed on 17 April 2007 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Claims 1-8 and 19-21 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected Groups, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 17 April 2007.

Claim Objections

Claims 9-18 are objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim cannot depend from any other multiple dependent claim. See MPEP § 608.01(n). Claims 9, 10, 14, and 18 are all multiple dependent claims that depend from other multiple dependent claims such as claims 3-6. Additionally, claims 11-13 and 15-17 are objected to because they depend from the improperly multiple dependent claims. Accordingly, instant claims 9-18 have not been further treated on the merits.
